

INTERNATIONAL SYMPOSIUM ON POLYMER ANALYSIS AND CHARACTERIZATION

23 – 27 June 2025

Nanyang Technological University, Singapore

Dear colleagues,

We are pleased to announce that the 36th International Symposium on Polymer Analysis and Characterization will be held from 23 – 27 June 2025 in the garden city of Singapore. We are now inviting scientific contributions for the conference.

We encourage you to submit abstracts for oral and poster presentations and share this announcement with any colleagues who may be interested. The session topics will include:

- Challenges and opportunities in polymer characterization through traditional and AI approaches
- Polymers for cosmetics and healthcare
- Advancing polymers for a sustainable future
- Polymer and composites for industrial applications
- Green manufacturing and environmental challenges

Abstract submission deadline is 1 March 2025

Acceptance of abstracts will be given on 15 March 2025

For abstract submission instructions and more information, please visit the conference website (<http://www.ispac-conferences.org>)

All attendees are invited to submit contributions to the [*International Journal of Polymer Analysis and Characterization*](#), following the journal guidelines. Submitted articles which are peer reviewed, recommended and accepted, will appear in regular issues of IJPAC with a remark that the contribution has been presented at ISPAAC 2025 in Singapore. Please visit the [*IJPAC*](#) website for details.
